Statement on Accident Statistics

UNF-77889

This statement is issued by Baltic Krane GmbH for clients who check our record before work on site starts.

During 2023 to 2025 the company recorded 11 reportable accidents, of which 3 led to lost time. There were no fatalities.

By year, in 2023 there were 5, in 2024 there were 4 and in 2025 there were 2.

All figures come from the accident reports filed with the employers' liability insurance association and cover every site of the company.
